This Memorandum of Understanding serves as an agreement between both parties to cooperate in the following areas:

1. To explore the potential for joint activities;
2. To identify opportunities for professional fellowship programs;
3. To identify opportunities for accredited training for professionals;
4. To identify opportunities for faculty and staff;
5. To identify opportunities for staff development and training.

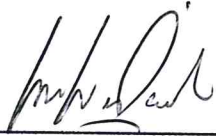

Agreed Strategies

The parties will cooperate, map and implement educational and human resources development activities, which may include:

1. Fellowship programs for professionals;
2. Consultancies;
3. Study Tours (*Professionals studying short vocational programs which assist in career development on mutually agreed terms between institutions*);
4. Other innovative educational and training activities for human resources development.

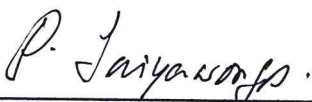

Agreed Parameters

1. This document sets out an understanding that has been reached and as such is not intended to be legally enforceable.
2. Each party acknowledges that the other remains independent and that this understanding confers no rights unless by express agreement, and that each have external limits on the extent and nature of cooperation permitted between the parties.
3. The parties recognize that they are separate organizations and subject to different accountabilities and organizational guidelines.
4. This understanding will be valid for two years from the date of signing; the duration may be extended by the parties prior to that date or ended by action of the parties.
