

Memorandum of Understanding

In order to strengthen the cooperation between the China and Thailand and Guangxi Vocational & Technical Institute of Industry and Rajamangala University of Technology Thanyaburi, through friendly discussion, the two sides have come to an agreement, and agree to sign this Memorandum of Understanding. The specific affairs concerned come to agreement as follows:

I. The two colleges agreed to establish friendly intercollegiate relationship, and promote personnel exchanges, the mutual understanding, and the development of academic exchange between the two colleges.

II. The two colleges agree to arrange exchange visits for college-level delegations according to the needs, and coordinate the cooperative affairs. The charge of official business, except the charge of lodging and traveling, during the visit will be taken by the reception side.

III. The two colleges agree to cooperate and carry out the projects cooperation as follows:

1. The project of exchanges for the students of the two colleges

The two colleges organize students to go to each other's college to take short-term learning, training and practice.

2. The project of teaching exchanges for teachers

According to the needs of teaching, the two colleges can send teachers to each other's college to teach so as to promote the teaching of Chinese and Thai.

3. The project of further education for teachers

According to the demand of the further education of teachers, the two colleges can send teachers to each other's college to take short-term refresher course.

4. The project of bilateral academic exchange activities

The two colleges will carry out bilateral academic exchange activities, such as culture exhibition, skills contest viewing, visiting the enterprise, task survey, and international conference, etc.

IV. This Memorandum of Understanding is written in Chinese and English; both the two languages have the same effect. Each side is taking one copy.
