

**AGREEMENT FOR ACADEMIC EXCHANGE AND COOPERATION  
BETWEEN  
SCHOOL OF CHEMICAL ENGINEERING,  
HANOI UNIVERSITY OF SCIENCE AND TECHNOLOGY  
AND  
FACULTY OF ENGINEERING,  
RAJAMANGALA UNIVERSITY OF TECHNOLOGY THANYABURI**

School of Chemical Engineering, Hanoi University of Science and Technology, The Socialist Republic of Viet Nam and Faculty of Engineering, Rajamangala University of Technology Thanyaburi, Thailand are mutually interested in establishing collaboration on academic and research related development activities.

In order to promote cooperation, the two institutions agree as follows:

1. The purpose of this Agreement is to develop and carry out collaborative activities to further the common interest of the institutions set forth in term 2.
2. The scope of collaboration of academic and research activities included in this Agreement includes the following categories:
  - 1) Exchange of students
  - 2) Research collaboration in the areas of mutual interest to both parties
  - 3) Exchange of academic materials which are made available by both parties
  - 4) Exchange of professors and research scholars
  - 5) Other activities mutually agreed upon by both parties
3. This Agreement is effective for 3 years upon the date of signing by the representatives of the two institutions.
4. This Agreement may be amended, or terminal at any time by mutual consent, or by giving 6 months written notice to the either party prior to the desired termination date.
5. This Agreement shall be written in English, if any question on any part of the Agreement arises, and the two institutions must confer with each other to find a solution.
